

# CORPORATE OPPORTUNITIES 2023

Franklin County Coalition for Progress (FCCP) is a 501(c)3 non-profit organization. Our mission is to advance social justice and equality for all Franklin County, Pa., residents. We care about building a community where everyone is accepted and welcomed; a community where differences are valued and seen as strengths and opportunities.

We work with a variety of community partners to increase social and civic competencies to empower individuals to use their voice and rights to help themselves, and others. Moving from conversations to action takes skills, knowledge, and relationships. Over the last several years, FCCP has organized several events and programs that laid the groundwork for where we are today.
